## THE PIONEER VIRGIN DISTILLED BOTANICALS

USING THE FINEST SOUTH AFRICAN HONEYBUSH

*In 1827 the legendary hero John Ross set out on foot at Port Natal, leaving behind his ship "The Mary" which was stranded in the bay. He needed to obtain medicines & vital supplies for his crew-mates to survive the trying conditions of the tropical East African Coast. On his journey to Delagoa Bay, he experienced the natural healing properties of the abundant South African botanicals. He discovered that the botanical extracts did not only provide nourishment, but it was also an elixir of life.*

*We are a non-alcoholic beverage producer. This means we select natural ingredients & botanicals, distilled together with mountain spring water to form the perfect non-alcoholic gin. We aim to supply tonic to the discerning gin drinker. We pride ourselves on delivering a consistent premium tonic mixers using all natural ingredients.*

#### INGREDIENTS

Spring Water, Juniper, Coriander, Angelica Root, Lime, Rose, Lavender, Honeybush.

#### HONEYBUSH

Honeybush Tannin is derived from the leaves and stalks of this special plant. Tannins have a high anti-oxidant content. Tannins may cause small sediment over time.

PRODUCT OF SOUTH AFRICA

#### SERVING SUGGESTION

Take a cold wine glass (or glass of choice).  
Add ice, the larger the cubes the better.  
Add some John Ross (50ml) and squeeze a lemon wedge over the ice and drop it into the glass. Add ice cold Barker & Quin Finest Indian tonic water and squeeze another lemon wedge & drop it in the glass, stir briefly.  
Sit back & enjoy!

#### COLOUR, AROMA & FLAVOUR

John Ross has a beautiful colour derived from the Honeybush tannins that is infused in the product. The classic Juniper bouquet is supported by citrus notes and makes for a complex flavour profile. John Ross makes for a very refreshing drink. A sophisticated and adult alternative for the non-alcohol consumer.
